

NORTHWEST FLORIDA BEACHES INTERNATIONAL AIRPORT

INVITATION TO BID AIR TRAFFIC CONTROL TOWER RADIO REPLACEMENT August, 2023

Addendum #1 (Pre-Bid Questions)

Question: Is the voice recorder in the tower or at an alternate site?

Answer: Voice recorder is located in the tower.

Question: Do ATC personnel have to come down to the 9th floor to retrieve recordings?

Answer: Yes.

Question: Is it only the ATIS radio to be replaced, or does the announcer need to be replaced as well?

Answer: Only the transmitter radio is being replaced under this "Invitation to Bid".

Question: Does the airport request the old radios back or should the contractor take them?

Answer: Airport to retain all radios and equipment removed under this "Invitation to Bid".

Question: Are new racks to be installed or are the existing ones to be used?

Answer: Existing racks are to be reused. No racks, or rack equipment, other than noted in the "Invitation to Bid" specifications for mounting hardware, are to be provided.

Question: Are antennas to be replaced?

Answer: No antennas are to be replaced under this "Invitation to Bid".

Question: Are the BUEC radios to be replaced?

Answer: Radios, and radio equipment, are to be provided, replaced, and made operational, in the quantities and types specified in the "Invitation to Bid".
