

ADVERTISEMENT AND NOTICE TO BIDDERS. The Panama City Bay County Airport and Industrial District dba Northwest Florida Beaches International Airport is seeking sealed bids from qualified firms for all work and materials necessary to complete the North Terminal Apron Expansion Project detailed in the Bid Package and Project Manual (Contract Documents) dated April 18, 2024. Interested Bidders may obtain the Contract Documents from the DemandStar website: <http://www.demandstar.com>. The scope of work will include construction services for a new Aircraft Apron to support the North Terminal Concourse expansion. The apron will include paving, drainage, stormwater management system modifications, security, potential relocation of some existing utilities, apron lighting modifications, apron markings, final grading, grassing, and other components related to the project. The new apron will be approximately 26,400 square yards of PCC concrete and designed to accommodate all classifications of aircraft. The apron will connect to the existing terminal apron and will include apron lighting as required. A non-mandatory Pre-Bid meeting will be held on April 25, 2024, at 2:00 pm local time in the North conference room, 1st floor of Terminal, Northwest Florida Beaches International Airport, 6300 West Bay Parkway. Sealed Bids must be submitted as directed in the bid package no later than May 17, 2024, by 2:00 pm local time. Bids shall be made on the Bid Proposal Forms furnished in the Contract Documents. Date April 18, 2024.
