

**Public Information Meeting Scheduled for Northwest Florida Beaches International
Airport (ECP)
Airport Master Plan Update**

The Panama City – Bay County Airport and Industrial District is nearing completion of the two-year long process of updating the Airport Master Plan (MPU) for the Northwest Florida Beaches International Airport to account for changes that have taken place at the Airport and in the aviation industry since the completion of the Airport’s July 2015 Airport Master Plan. The updated Airport Master Plan will be used as a guide in developing and improving the Airport to address existing and future needs of the Airport and its users.

Please join us for the 1st public informational meeting to learn more about the ongoing Airport MPU. We will discuss general aviation development, commercial property development and Terminal and ground transportation development concepts.

Thursday, October 29, 2020 2-3:30 PM (Central Time)

Due to the unprecedented times we are experiencing, the meeting will be held virtually via Zoom. During the meeting, there will be a presentation of study findings and recommendations. Meeting attendees will have an opportunity to provide feedback and questions regarding the future of the Airport. **You will need to register for this meeting.**
