Northwest Florida Beaches International Airport (ECP) Executive Director, Parker W. McClellan, Releases Statement Regarding Air Travel

“Starting Friday, November 7, airlines will reduce schedules at major airports to keep travel smooth and safe. At ECP, your safety is always our top priority. We encourage passengers to monitor flight status on their airline’s website or app for the most accurate updates. While we don’t yet know the impact on ECP, we will continue to monitor and share information as it becomes available. Thank you for your patience and for choosing ECP,” stated Parker W.
